The University of Colorado at Denver and the Health Sciences Center were consolidated into a single institution, University of Colorado at Denver and Health Sciences Center (UCDHSC) on July 1, 2004, and renamed to University of Colorado Denver (CU Denver) on October 29, 2007. The institution's campuses are now known as the University of Colorado Denver and the University of Colorado Anschutz Medical Campus.

ACCREDITATION
The University of Colorado is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditor recognized by the U.S. Department of Education.

ISSUING CAMPUS FOR TRANSCRIPTS
Each campus has the authority to produce and issue a complete transcript that contains all courses attempted at all University of Colorado campuses, including their Continuing Education/Extended Studies Divisions. Official transcripts include the complete undergraduate, graduate, professional and non-degree academic record of all credit-based courses taken at all campus locations or divisions of the University of Colorado. Students may request a career-based transcript that produces a partial record. Questions concerning the issuance or authenticity of this transcript should be directed to the issuing campus. Questions concerning courses, grades, degrees, or other academic information on the transcript should be directed to the campus the student attended.

STUDENT PRIVACY/RELEASE OF INFORMATION
In accordance with the Family Educational Rights and Privacy Act of 1974, this transcript is provided upon the condition that the receiver or those acting on behalf of the receiver do not disclose or provide access to the information contained in it to any other party without explicit consent of the student.

TRANSCRIPT FORMAT
The academic record of a student enrolled both before and after 1988 may be composed of two separately formatted transcripts. If "SEPARATE RECORD OF PRIOR WORK ATTACHED" appears at the beginning of a transcript, both transcript formats must be present for the transcript to be complete.

TRANSCRIPT AUTHENTICITY
Electronic PDF transcripts bear the Adobe@ Blue Ribbon certification and a GeoTrust CA electronic certificate.

TRANSCRIPT NOTATIONS
Effective Fall 1995, Dean's List notations appear at the end of each term earned. Students are considered to be in good standing with the university and eligible to re-enroll unless stated otherwise on the transcript. Students who have been expelled or who have active non-academic suspensions from a CU campus have transcript notations that may indicate the general type of sanction, the effective date and duration of the separation/exclusion, and the issuing department. For more information, contact the appropriate department on the issuing campus.

GRADE POINT AVERAGE (GPA)
Grades earned in repeated courses are included in the GPA and cumulative totals unless otherwise noted. The GPA is computed by dividing the total grade points by the total of credit hours in which grade points were recorded. Transfer credit is not included in the University of Colorado GPA. In Fall 2019, Boulder and Denver and in Fall 2020, Colorado Springs implemented varying grade replacement and forgiveness policies. From Fall 2001 to Summer 2010 Boulder had a different course repetition policy. See respective campus for policy details.

ACADEMIC CALENDAR
Beginning Fall 1951, all campuses are on a 16-week fall and spring semester system unless otherwise noted. Summer terms, Study Abroad Programs, and Independent Learning vary in length but are reported in semester hours. As of Fall 2010, all prior coursework taken on a quarter system calendar at the Health Sciences Center (now Anschutz Medical Campus) has been retroactively converted to a semester system calendar.

UNIT/CREDIT HOURS
While there can be some variation to this structure amongst the campuses and programs, in most cases, the unit or credit hour is the numeric measure of the instructional, research and/or other academic work over the length of a semester, and the value of a unit is calculated based upon standard semester credit hour formulas.

CUMULATIVE CREDITS
Before 1972, cumulative totals were total hours and credit points used for calculation of the GPA only. After 1988, cumulative credits include hours earned and GPA based on the level of the student (undergraduate, graduate, graduate non-degree and professional careers). A student's transcript may include credits in more than one career level.

GT PATHWAYS PROGRAM
The Colorado State Legislature approved a set of general education courses guaranteed to transfer between state institutions. These courses appear on the transcript with the notation of "GT" followed by two characters that identify the subject area. See
https://highered.colorado.gov/academics/transfers/gtpathways/curriculum.html.

RECIPROCAL AGREEMENT PROGRAM
Graduate credit taken through a reciprocal exchange agreement with another Colorado institution is indicated by a department listing of RCPR, RCSM, RCSU, and RUNC. Discontinued in Fall 2020.

COURSE DESCRIPTIONS
The four University of Colorado campuses do not share a common course catalog. Current catalogs and course descriptions may be found by accessing the home pages of each campus.

TRANSFER, STUDY ABROAD AND TEST CREDIT
Beginning 2016, accepted external credit is labeled "Transfer, Test and/or Study Abroad Credit Applied." Transfer credit converted from the prior student information system may appear as summary data on the transcript. This information is labeled "Advanced Standing."

For Study Abroad credit, beginning in 1988, a generic course number was used with the first digit of the course number followed by nines and an extension of SA. The first digit designated the level of the course. Although actual dates of enrollment may have varied, the courses were listed to coincide with the CU calendar. Effective Summer 2016, at the Boulder campus, Study Abroad courses appear as transfer credit earned under "Transfer, Test and/or Study Abroad Credit Applied" with a "See Study Abroad Credit" note in the semester the student studied abroad.

Test credit accepted, including International Baccalaureate (IB), College Level Examination Program (CLEP) and Advanced Placement (AP), reflects earned credit based on the equivalent course offered by the university. Effective Fall 2017, exam and equivalent course details, course number and title, are recorded on the transcript.

Credit earned through institutional course challenge exams is recorded as institutional credit in the term completed. CR is recorded to denote earned credit. The transcript reflects the name, catalog number and credits of the course(s) successfully challenged.

COURSE NUMBERING SYSTEM
Fall 1975 to Summer 1988, courses numbered 0–99 were remedial, 100–199 freshmen level, 200–299 sophomore level, 300–399 junior level, 400–499 senior level (open to graduates), 500–599 graduate level (open to qualified undergraduates), 600–699 graduate level, 700 master's thesis, and 800 doctoral dissertation.

From Fall 1975 to Summer 1988, only courses numbered 500 and above were offered for graduate credit. (Exception: Independent Study courses were numbered 900-929 for lower division, 930-949 for upper division, and 950-979 for graduate level.)

Beginning Summer 1988, the course numbering system changed from three digits to four digits for all campuses except Colorado Springs. Courses since Summer 1988 are numbered 1000-2999 for lower division; 3000-4999 for upper division; 5000-6999 for graduate, master's level or first and second year professional; and 7000-8999 for graduate, doctoral level or third and fourth year professional. As of Fall 2010, all campuses use the four-digit course numbering standard.

CU DENVER
Beginning 1970, students enrolled at the CU Denver Downtown Campus have been able to cross register for courses at Metropolitan State University of Denver and Community College of Denver. These courses are identified by notations of "MSC," "CCD," "4M," or "Course Offering of Metropolitan State Univ of Denv" in the course titles. Since Spring 1988, Metropolitan State University of Denver courses are not included in the University of Colorado grade point average, but are included in the hours earned at the University of Colorado. Students must transfer in any credit earned through the Community College of Denver, which will appear as transfer credit hours earned, and are not included in the University of Colorado grade point average. Questions regarding such listings should be referred to the CU Denver Registrar's Office.

LAW SCHOOL GRADING AND RANKING
Effective with students matriculating in Fall 2010 or later, by action of the faculty, the mandatory median grade in each Law School course is B+. From 1994 to 2010, the recommended median grade was 84 (B). Prior to 1994, the median grade was typically 78 (C+) in first-year courses, and 80 (B-) in large, upper-division courses, and higher than 80 in smaller courses. GPAs are calculated from letter grades using the conversion table. Prior to Fall 2010, numeric grades were used to calculate GPAs. Since Fall 2010, the Law School has used the Letter Points to calculate GPAs. Numeric GPAs were carried out to two decimal points and were not rounded up to the nearest whole number, i.e., 84.75 not 85. Good standing and eligibility to continue are based on the numeric GPAs. A 2.0 average is generally required to be in good standing and to graduate. Class ranking displays on Law career transcripts for students in the top third of the class based on grades.
